**MEMORANDUM**

---

**TO:** Mayor Carlos Hernandez, and  
Members of the Hialeah City Council

**FROM:** William M. Grodnick, City Attorney 

**DATE:** February 10, 2014

**RE:** Approval of Collective Bargaining Agreement between Dade County Police  
Benevolent Association and the City of Hialeah

---

The proposed Collective Bargaining Agreement being presented for approval is a three-year agreement, covering the time period from October 1, 2013 through September 30, 2016. The proposed Agreement includes monetary concessions in the first fiscal year and includes major pension reform representing approximately \$75 million in savings over a 30-year period, which will reduce the unfunded or future liability of the Hialeah Retirement System. The significant changes in the Collective Bargaining Agreement are as follows:

**Pension Reform**

- 1. Change from Non-Contributory System to Contributory System.** The existing system was premised on an employee annuity contribution of 7% to the pension system, which was returned to the employee in lump sum with interest upon separation from the City or retirement or any time after retirement when requested by the employee. The proposed change for each new or future year for existing sworn police officers and for new sworn police officers hired on or after February 25, 2014 is a 4% contribution based on compensation based on the amount of salary, longevity, incentive and special pay. This contribution will be made either in lieu of the annuity contribution or in addition to the 7% annuity contribution, at the option of the officer. During the first fiscal year, Fiscal Year 2013-2014, only, existing police officers and new police officers hired during the year shall pay a 5% pension contribution prospectively from February 26, 2014 for the balance of the year. If the funding of the Pension Plan exceeds 80% funded, the police officer contribution will be reduced to 3%. If the funding of the Pension Plan exceeds 100% funded, there will be no police officer contribution.
- 2. Full retirement benefits for new sworn police officers hired on or after February 25, 2014.** In addition to the 4% police officer contribution, the point system (age plus years of service with a minimum of 20 years of service) for eligibility of full retirement benefits has been increased from 70 points to 76 points. The annual base pension of \$1,800 has been eliminated. The percentage of the 10-year COLA that is added to a retiree pension has been reduced from 2% per year commencing at age 52 to 1% per year.

3. **Vested or deferred retirement benefits for new sworn police officers hired on or after February 25, 2014.** For new sworn police officers hired on or after February 25, 2014, who later retire with at least 10 years of service and less than 76 points, retirement benefits will commence at age 59½ rather than at age 55 as so provided in the current pension system. In addition, the annual base pension of \$2,800 is eliminated.
4. **Extension of civil service years with retirement benefits.** Sworn police officers who have worked in excess of 25 years of actual civil service may receive an additional retirement benefit of 1.5% for each year of additional service up to a maximum of three years. Normal retirement benefits for each year of service for the first 25 years with the 70 points (existing police officers) or 76 points (new police officers) is 3%. This represents an additional savings towards future City pension contributions.
5. **Deferred Retirement Option Plan (DROP).** The Plan has been revised to limit the duration of the DROP or sworn police officers who remain in full duty status (not in permanent light duty status) throughout the three years of the DROP.
6. **No free City insurance contribution for vested (deferred retirees) employees who do not receive full retirement benefits.** Retirees will pay full insurance premium for retirees and dependents for whatever insurance that the City provides to current employees.
7. **No City contribution for non-job-related disability retirees.** Retirees will pay full insurance premium for retirees and dependents for whatever insurance that the City provides to current employees.

#### **Monetary Concessions and Provisions**

1. **Fiscal Year 2013-2014.** 5% Pension contribution. Floating holiday eliminated. \$250.00 clothing stipend eliminated. 0% salary increase.
2. **Fiscal Year 2014-2015.** 4% Pension contribution. 2% salary increase on April 1, 2015.
3. **Fiscal Year 2015-2016.** 4% Pension contribution. 2% salary increase on October 1, 2015.

### **Section 3. Sick Leave**

A. For those employees working an 8-hour shift the following applies:

The parties agree that care and discretion shall be exercised by Management and the Union in order to prevent the abuse of sick leave privileges. Excessive absences on account of trivial indispositions must be discouraged. "Excessive absences" are defined as sick leave usage in excess of sixty-four (64)-hours in a consecutive twelve (12)-month period without medical certification that the employee was unable to work, or provide written proof from a medical facility that the employee attempted to obtain an appointment, but was unable to do so. This documentation must be provided within five (5) days of the employee's return to work. After

exceeding the sixty-four (64)-hour cap referenced above, discipline appeals will only be permitted when based on discrepancies in the number of hours used or whether the medical documentation was provided, as required. Sick leave used when the City shuts down all or a portion of its operations, or employees who are otherwise requested not to report to work, will not be taken into account in calculating excess absences. For the purposes of this Article, the consecutive twelve (12)-month period shall commence every January 1<sup>st</sup>, and continue for a twelve (12)-month period, and every consecutive twelve (12)-month period thereafter.

Failure of 8-hour shift personnel to provide documentation will result in the following:

72.1 – 80.0 hours	written reprimand and removal from voluntary overtime roster (passed over for two (2) overtime opportunities)
80.1 – 88.0 hours	three (3)-day suspension

96.1 hours or more	termination

B. For those employees working a 10-hour shift, the following applies:

The parties agree that care and discretion shall be exercised by Management and the Union in order to prevent the abuse of sick leave privileges. Excessive absences on account of trivial indispositions must be discouraged. "Excessive absences" are defined as sick leave usage in excess of eighty (80) hours in a consecutive twelve (12)-month period, without medical certification that the employee was unable to work, or provide written proof from a medical facility that the employee attempted to obtain an appointment, but was unable to do so. This documentation must be provided within five (5) days of the employee's return to work. After exceeding the eighty (80)-hour cap referenced above, discipline appeals will only be permitted when based on discrepancies in the number of hours used or whether the medical documentation was provided, as required. Sick leave used when the City shuts down all or a portion of its operations, or employees are otherwise requested not to report to work, will not be taken into account in calculating excess absences. For the purposes of this Article, the consecutive twelve

(12)-month period shall commence on every January 1<sup>st</sup> , and continue for a twelve (12)-month period, and every consecutive twelve (12)-month period thereafter.

101.1–110.0 hours	three (3)-day suspension
110.1 – 120.0 hours	ten (10)-day suspension
121.1 hours or more	termination

C. Progressive Discipline.

Any employee receiving discipline, pursuant to Section 1 above, in consecutive years, shall be subject to having the prior year's discipline carried over for purposes of progression. For example: An employee receiving the second step discipline in one (1) calendar year shall commence the next discipline in a consecutive year at the 3<sup>rd</sup> offense step. Discipline in a third consecutive year would commence at the 4<sup>th</sup> step offense, assuming no greater level than a 3<sup>rd</sup> step offense was reached in the prior year. Progressive discipline is based on the employee receiving discipline in consecutive years. If an employee does not receive discipline for violations relating to sick leave during the prior year, then the City cannot use progressive discipline for sick leave violations for the following year.

If discipline is carried over pursuant to paragraph C above, resulting in Step 4 discipline, an employee will be required to serve a 20-day suspension prior to termination.

Such request should be submitted to the Mayor for his approval. Employees exercising this option, upon approval by the Mayor, shall formally waive their right to any further appeal action on said suspension.

## **ARTICLE 29. GRIEVANCE PROCEDURE**

In a mutual effort to provide harmonious working relations between the parties to this Agreement, it is agreed to and understood by both parties that there shall be a procedure in this Agreement for the resolution of grievances or misunderstandings between the parties arising from the application or interpretation of this Agreement. The purpose of this Grievance Procedure shall be for the settlement of disputes between the employer and an employee, or group of employees, involving the interpretation or application of this collective bargaining agreement.

A grievance shall refer to the specific provision or provisions of the Agreement alleged to have been violated. It is further agreed by the Association that employees covered by this Agreement shall make an exclusive election of remedy prior to filing a second step grievance or initiating action for redress in any other forum. Such choice or remedy will be made in writing on the form to be supplied by the City. The Election of Remedy form will indicate whether the aggrieved party or parties wish to utilize the grievance procedure contained in this Agreement or process the grievance in any other forum.

Selection or redress other than through the grievance procedure contained herein shall preclude the aggrieved party or parties from utilizing said grievance procedure for adjustment of said grievance.

To simplify the grievance procedure, the number of days in presenting a grievance and/or providing a reply shall be based upon calendar days. Grievances shall be processed in accordance with the following procedure:

**Step 1.** The aggrieved employee shall discuss the grievance with his immediate supervisor within ten (10) calendar days of the occurrence, which gave rise to the grievance. The Association representative may be present to represent the employee if the employee desires him present. The immediate supervisor shall attempt to adjust the matter and/or respond to the

employee within ten (10) calendar days. The aggrieved employee may waive Step 1 and Step 2 and initiate the grievance procedure at Step 3 within 10 calendar days of the occurrence.

**Step 2.** If the grievance has not been satisfactorily resolved in Step 1 or waived, the employee, with or without the assistance of the Association representative, shall complete the Election of Remedy form before initiating the grievance to the second step of the Grievance Procedure. When the Election of Remedy form indicates the grievance is to be advanced through the Grievance Procedure, the employee with or without the assistance of the Association representative shall reduce the grievance to writing on the standard form provided for this purpose and present such written grievance to the Chief within ~~five (5)~~ ten (10) calendar days from the time the response was received from Step 1 or waived. The Chief shall meet with the employee and/or the Association representative and shall respond in writing to the employee and/or the Association representative within ten (10) calendar days from the receipt of the written grievance.

**Step 3.** If the grievance has not been satisfactorily resolved in Step 2, the employee, with or without the assistance of the Association representative, may present a written appeal to the Mayor within seven (7) calendar days from the time the response was received in Step 2. The Mayor or his designee shall meet with the employee and/or the Association representative and shall respond in writing to the employee and/or the Association representative within ten (10) calendar days of receipt of said appeal.

**Step 4. Arbitration of Grievances:** If a grievance has not been satisfactorily resolved within the Grievance Procedure, ~~the aggrieved employee and/or the Association shall~~ may request a review by an impartial neutral no later than ten (10) calendar days following receipt of the Mayor's response in Step 4 of the Grievance Procedure. The parties shall jointly request a list of five (5) names from the American Arbitration Association. Within seven (7) calendar days of receipt of the list, the parties shall alternately strike names, the City striking first thus leaving the fifth (5th) name who will act as the Arbitrator. The City and the Association shall attempt to

mutually agree in writing as to the statement of the grievance to be arbitrated prior to the arbitration hearing, and the Arbitrator shall confine his decision to the particular grievance if specified. In the event the parties fail to agree on the statement of the grievance to be submitted, the Arbitrator shall confine his consideration and determination to the written statement of the grievance.

The Arbitrator shall have no authority to change, amend, add to, subtract from or otherwise alter or supplement this Agreement or any part thereof or amend thereto. The Arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration or which is not a grievance as defined in this Agreement; nor shall this collective bargaining agreement be construed by the Arbitrator to supersede applicable laws in existence at the time of signing of the Agreement, except to the extent as specifically provided. The initiating parties shall not be penalized in any way for exercising their rights under this contractual agreement. However, each party shall bear the expense of its own representatives. The impartial Arbitrator's fee and related expenses and expense of obtaining a hearing room, if any, will be assessed to the losing party. However, should the Arbitrator specifically render a split decision, the Arbitrator will render a decision splitting the fees and expenses between the parties. Any party desiring a transcript of the hearing shall bear the cost of such transcript unless both parties mutually agree to share said cost. Copies of the Arbitrator's decision shall be furnished to both parties with the AAA's guidelines, and such award shall be final and binding upon both parties.

The grievance and arbitration procedure herein shall have no application to the resolution of disputes between the parties concerning the terms of a new collective bargaining agreement to replace this Agreement.

**Grievances Not Pertaining To The Agreement:** Grievances may also be filed by members of the bargaining unit when they feel that procedures, rules or regulations are being misused or unjustly enforced against them. This would also pertain to reprimands, whether oral

or written. This type of grievance would be an Intra-Departmental Grievance and would follow the Grievance Procedures as stated above, with the exception of Steps 3 and 4.

**Association Grievances:** Any grievance, which by its nature should be filed as an Association Grievance on behalf of all members of the unit, shall commence at Step 3. The Mayor shall, however, in such instances have fifteen (15) calendar days within which to respond.

## **ARTICLE 30. PAY PLAN**
